UFOs: What Does the President Know?

Is the President running the country or is he a puppet to a secret government within the government? What does the constitution say about the problem of UFO secrets? Has the American public been disinformed about the President's UFO role? Many interviews, articles, and documentaries have looked at this question. It is one of the key questions there is in ufology "What does the most powerful man in the world know about what might be the most important subject in the world - UFOs?"

This article takes a long hard look at the evidence regarding presidential UFO knowledge as it applies to the many US Presidents that have faced the UFO mystery since Roosevelt.
