For those who want to hear the interview on the book "UFOs, Area 51, and the Government" there is now a links that they can follow.

The interview includes surprise guest appearances from Richard Dolan and Area 51 figure John Lear.

The link is provided by my friend Andrew Johnson from the UK who has a wonderful website with a wonderful collection of UFO audio

<http://www.checktheevidence.com/Misc/index.php?dir=&sort=date&order=desc>

While on the site check Andrew's material on 911. He is one of the world authorities on the subject.
